

Safe Environment

This online required diocesan training for all adults having contact with children needs to be done only once in your career as a catechist.

If you have completed it already, thank you!

Log onto: www.dow.org

- click on "safe environment" at the top of the screen on the left side
- Scroll down - box says "register now" - click this box to register for the Safe & Sacred on-line learning program."
- Fill out registration form. Each member chooses their own username and personal, confidential password. One registration is completed and a username and password is selected, members can return as often as desired to access lessons and information. Click "enter."
- On the right hand side under required lessons (next to Bishop Harrington) click on either Part I, Part II, Part III, or Part IV.
Please complete all four courses.
- Please print out the certificates when you're finished and return to Joyce.
- If you need access to a computer, contact Joyce.
